

It's St. Patrick's Day!
Let's have some fun!
Follow the clues to find the
treasure at the end of the
rainbow!

You will need to use
your brain power.
Don't waste a minute
or an hour.
Start right now,
look in the shower.

This is fun,
don't you agree?

Looking and searching
is the key.

Find the next clue
by the TV.

Awesome! You did it!

Now if wanting to eat
is your mood.

Search where you will
find lots of food.

Dizzy looking for clues?

I hope you are stable.

The next clue is easy,
if you are able.

Don't look over
but under the table.
